## The Colours of Thailand

### A Different Cultural Show

This exceptional show will take you all around Thailand to see "The colours" of each of the 4 regions of Thailand. For example, you will enjoy the graceful "Fingernail" dance from the north, the fun fast "Soeng" from the northeast and "Talung" the shadow dancing puppet, from the south. Never to be missed are the famous "Thai boxing" and martial arts. And this is done in an air conditioned-theatre fully equipped with an excellent lighting and sound system. This cultural show promises to be one of the most memorable and unforgettable experience of your visit to Thailand.
